Realtor Rewards Program

A great home for your clients. A great reward for you.

When you help your clients go custom with Wayne Homes, they get exactly what they're looking for. With our industry-best Realtor rewards program, you earn three-, four-, and five-percent rewards by referring one, two and three clients, respectively, within a year. Paid just after closing ... even before construction begins.

It gets better. We base your rewards on price plus options. Just remember to register your clients on or before their first Wayne Homes visit, and from there they have 90 days to sign a purchase agreement.* And when you become a Wayne Preferred Realtor, you can earn an additional reward on land sales.**
